Author: **A0960 - TRIPPLETT, WILLIE #S163**

Subject: **INITIAL NARRATIVE**

Related date/time: **Mar-16-2009 (Mon.) 1454**

On 3/15/09, I was assigned to the Patrol Division as a patrol supervisor. I was in uniform and driving a marked black-and-white police car. At approximately 2035 hours, I was driving southbound on Harbor Boulevard approaching Vermont Avenue when I observed on the southwest corner three middle-aged male Hispanics yelling at me and pointing in a southeast direction. I rolled down my window completely, and they started pointing toward a male Hispanic who was walking eastbound on Vermont Avenue on the south side of the street.

I asked them what was going on, and they pointed toward the graffiti and then toward the male Hispanic, who was approximately five to ten feet just east of the graffiti. At quick glance, the graffiti appeared to be fresh and gang graffiti. I noticed what appeared to be "AVLS" which I recognized as "Anaheim Vatos Locos" a local criminal street gang within the City of Anaheim. I told the male Hispanics to stay at the corner. I pointed toward the graffiti and asked if he spray painted the wall and I saw one of the witnesses nod his head up and down indicating "yes."

Once the intersection was cleared, I made a left turn and drove eastbound on Vermont Avenue. By that time, the male subject was near the apartment complex located at 400 West Vermont Avenue. I stopped my vehicle and as the suspect turned around he saw me. Once he saw me, he started walking westbound on Vermont Avenue. I told the suspect to stop and started to run westbound on Vermont Avenue. I then gave foot chase toward the suspect, who ran to Harbor Boulevard and then north on Harbor Boulevard and immediately started to cross the street in a westerly direction.

I last had sight of the suspect westbound on Hampshire from Harbor Boulevard. Assisting units responded but we were unable to locate the suspect. I also was not able to locate the witnesses. However, I had seen them pointing at the graffiti, which was on the wall of the Social Security building at 900 South Harbor Boulevard. The graffiti was in black and written on the wall was, "VATOS AVLS." I recognized this graffiti as being gang graffiti and represented the criminal street gang of the Anaheim Vatos Locos.

During our investigation, I spoke to Officer Brannigan who told me approximately two to three weeks ago, there was graffiti written in the

same general area and that time, there was a red vehicle associated with this previous incident. He recalled there was a partial plate possibly ending in "765." On Hampshire, Officer Brannigan located a red Camaro with the license plate of [REDACTED]. Officer Brannigan remembered his previous incident and believed this vehicle was associated with the person I was chasing. Through his background research, he was able to discover a person in this vehicle had been stopped in the past by gang investigators and the person was S-[REDACTED]. I was able to pull and review a booking photograph of S-[REDACTED] and realized this was the subject who had fled from me.

Officer Bennallack and Officer E. Anderson remained in the area. At approximately 2330 hours, Officers Bennallack and Anderson notified me they possibly had a subject detained at 522 South Hampshire and requested I respond to this location for identification purposes. Upon arrival, I saw they had W-[REDACTED] stopped and detained. They told me they observed W-[REDACTED] walk up to the red Camaro, look inside the Camaro, and then start to walk away, at which time they detained him. The windows of the red Camaro were down and it was unsure if W-[REDACTED] put his hand inside the vehicle or not.

Upon my arrival, I realized [REDACTED] was not the person I was originally chasing. I spoke to W-[REDACTED] and asked him why he had come up to this vehicle. He told me [REDACTED] requested he go look and see if the keys were inside. I asked him how he knew [REDACTED] and he told me they were former neighbors and [REDACTED] currently lives near his girlfriend's house. I asked him why [REDACTED] asked him to do this, and he said because [REDACTED] told him he had fled from the police but he was not sure where he had left his keys and knew he had left his vehicle back on Hampshire. [REDACTED] did not go into any further statements to [REDACTED] about fleeing from the police.

I asked [REDACTED] where he picked up [REDACTED] and he told me he did not know the address, but it was on Braeburn. S-[REDACTED] lives at [REDACTED] in the city of [REDACTED]. [REDACTED] told me [REDACTED] came up to him at approximately 2315 hours and said, "Hey fool, I need a favor from you." [REDACTED] was visitin his girlfriend. [REDACTED] asked him what favor he needed, and that is when he told him he had left his car on Hampshire after fleeing from the police. Again, he did not go into any further statements as far as to why he was fleeing from the police, nor did [REDACTED] ask him any further questions. [REDACTED] agreed to drive [REDACTED] back to the Hampshire location.

I asked [REDACTED] what he was supposed to do, and he told me he was supposed to just check to see if the keys were still in the car and then he was going to return to where he had left his vehicle. [REDACTED] had driven from the [REDACTED] address to the Hampshire location with [REDACTED] as the passenger.

I asked him what [REDACTED] was wearing at the time, and he told me [REDACTED] was wearing no shoes, brown or tan-colored shorts, and a black or dark-colored shirt or jacket. This is what I saw [REDACTED] wearing when he fled from me.

When he arrived onto Hampshire, he parked just north of Vermont on the east side of the street. When he arrived, he saw a male subject north of them, who [REDACTED] was talking to on the cell phone. [REDACTED] knew [REDACTED] was talking on the phone to this person because once they drove onto Hampshire [REDACTED] told the other person something similar to "It's me in the car" at which time he could see the other male subject just north of them. [REDACTED] and he were talking about who was going to go check the vehicle. Finally, [REDACTED] told [REDACTED] he needed him to check the vehicle and he would not get into any trouble with the police. He indicated the male subject on the corner could not see any police around. All [REDACTED] was supposed to do was walk up to the vehicle, see if the keys were in it, and then come back to his vehicle, and pass the information onto [REDACTED]. [REDACTED] last left [REDACTED] seated in his vehicle. He then walked to the Camaro, looked inside, started to walk away from the car and was detained by Officers Bennallack and Anderson.

Officer Downs drove over to the location of [REDACTED] vehicle and, at that time, there was nobody in the vehicle. Officer Downs did detain W - Acevedo and at that time W - Acevedo told him that he had nothing to do with the incident. However, W-[REDACTED] did advise me the person Officer Downs had stopped was the person that he saw on the cell phone, standing at the corner just north of where he parked his vehicle, and that was the same person whom [REDACTED] was talking on the phone with. Both W - Acevedo and W - [REDACTED] were photographed by ID Technician Canney and were released from the scene.

I did speak with W - Acevedo and he completely denied any knowledge of the incident and was uncooperative. I recognized W - Acevedo as an individual who I have contacted in the past in the Guinida Ln / Iris St neighborhood and as an associate of the criminal street gang "Anaheim Vatos Locos."

Officers Bennallack and Anderson then drove over to the Braeburn location in an attempt to locate S-[REDACTED]. However, they were not able to locate him but did speak with his wife. See Officer Anderson's supplemental report for further.

S-[REDACTED] had abandoned the red Camaro in front of [REDACTED] and completely blocked the driveway so nobody from the apartment complex could drive outside of the complex. The windows on the vehicle were rolled down. There was also a black spray can which was clearly visible from the

outside. Because it was completely blocking the driveway and residents would not have been able to exit the complex, the vehicle was towed and stored. See Officer Brannigan's supplemental report for further.

The graffiti at 900 South Harbor Boulevard, which is the Social Security building, was photographed by Forensic Specialist Canney and Powers-Raulston. The graffiti was in black spray paint, and the letters were approximately between 2  $\frac{1}{2}$ ' to 3  $\frac{1}{2}$  'heigh and covered an area approximately 10 feet long. I was also able to locate additional graffiti that had "VS X SKROOKS 13," which I recognized as "SSK", which is aligned with "AVLS", Anaheim Vatos Locos. This graffiti was located at 898 South Harbor Boulevard on a brick wall. The graffiti measured approximately 4 feet in height and covered an area of approximately 12 to 15 feet. There was also "SSK" which was in black spray paint as well on a blue trashcan. It covered the entire area of the trash dumpster. This was also photographed by F.S. Canney. See his report for further.

Based on my training and experience, I believed S-[REDACTED] wrote this graffiti in an attempt to further the gang "Anaheim Vatos Locos." In a previous assignment, I learned "Anaheim Vatos Locos" was a criminal street gang and involved in various violent crimes including robberies, felony assaults and weapon violations. I have personally spoken to associates and members of "Anaheim Vatos Locos" through consensual encounters, detentions and arrests. They have explained to me "graffiti" is one way in which a gang "claims their territory" and it allows rival gang members to know the gang is active and in a certain neighborhood.

I am requesting follow-up by the gang detail in seeking filing of charges against [REDACTED]

This is a supplemental report to Sgt. Triplett's original.

I responded to the area of Vermont Ave. and Hampshire Ave. and contacted W-Joel Acevedo, who was walking eastbound on Vermont Ave. from the area of Citron St. I asked W-Acevedo if I could talk to him and he said, "Yeah."

S-Acevedo told me he was on his way to catch a bus to Katella Ave. S-Acevedo said he was coming from a friend's residence on Citron St. S-Acevedo said his friend was named [REDACTED] but he did not know his friend's last name. S-Acevedo denied being involved in anything we were investigating.

A records check confirmed S-Acevedo was a documented AVLS Gang member with the moniker "[REDACTED]" S-Acevedo agreed to be photographed by forensic technician Canney. S-Acevedo then left our location.

On 03/15/2009 at 2039 hours Officers were dispatched to the area of Harbor and Vermont in regards to a suspicious subject.

Sergeant Triplett arrived on scene and advised a male Hispanic subject had fled the area on foot when he arrived.

Sergeant Triplett later told me the suspect who had fled from him was identified by a witness as, [REDACTED] Sergeant Triplett provided his address to be [REDACTED] Officer Benallack and I responded there in an attempt to make contact with him.

When we arrived at the residence the front door was open and the interior lights were turned on. Near the doorway I made contact with a female Hispanic subject who was verbally identified as, [REDACTED] She told me she is married to S/[REDACTED] and that he was not home. I asked her if we could check the residence to see if he was there and she agreed. After Officer Benallack and I searched the interior and exterior of the residence, we did not locate him.

I briefly spoke with W/[REDACTED] regarding S/[REDACTED] whereabouts. The following is a summary of her statement:

She told me at approximately 1800 hours S/[REDACTED] told her he was leaving and that he would be right back. She can't remember what clothing he was wearing when he left but thought it was weird he wasn't wearing shoes. I asked her how she knew he did not have shoes on and she said, "He only has a couple pairs of shoes. After he left I noticed the shoes he owns were still in the room." She also said he left the residence by himself in his vehicle, which is a mid 1990's red Chevy Camaro.

W/[REDACTED] said at approximately 2130 hours S/[REDACTED] was dropped off by an unknown subject in an unknown 4dr white compact vehicle. She thought this was awkward since S/[REDACTED] possessed the keys to the Camaro but the Camaro was not at the residence. She asked him where the Camaro was since but he did not reply. She took the vehicles keys from him and hid them in the house.

W/[REDACTED] again asked him where their vehicle was. He ignored her and went to bed in their bedroom. She said he slept for approximately an hour when he woke up. Moments after quickly waking up, he was picked up in the same described white 4dr vehicle and left the residence. W/[REDACTED] did not recognize the vehicle or any subjects inside and said she could not identify them if seen again.

This concluded my conversation with W/[REDACTED] For further information refer to Sergeant Triplett's original narrative, same GO#.

Details:

Per work request #3/127 I removed a spray paint can and (3) lids from Property to process.

I processed the can and lids with super glue and developed ridge detail on the lids which I labeled and photographed as follows:

Black Rust-Oleum lid from can – A1 on side of lid  
A2 on side of lid  
Black Krylon lid - B1 on side of lid  
B2 on side of lid  
Black Rust-Oleum lid - C1 on top of lid  
C2 on side of lid

I stained the ridge detail with Rhodamine and it enhanced areas B2, C1, C2 and developed a new area of ridge detail, which I labeled B3. I photographed these areas with an alternate light source.

I furthered processed the Rust-Oleum black spray paint can with black powder and did not develop any useable ridge detail.

The photos were downloaded into the DIMS system.

The ridge detail will be evaluated by a Forensic Specialist II.
