NARRATIVE

Date: 01-02-2020

Time: approximately 1300 hours

Location: Walker Drive and Oak Street [REDACTED], Scene of Officer Involved Shooting, Grass Valley

On the above date and time I responded to the above listed scene to assist the Nevada County District Attorney's Office with their investigation of the Officer Involved Shooting, which occurred on 01-01-2020. Detective Johnson and I went to [REDACTED] and met with the homeowner [REDACTED] and asked her for consent to search her front yard for evidence related to the Officer Involved Shooting. [REDACTED] was willing to give us consent and signed a consent to search form. I later attached the form to this report.

A scene walkthrough was conducted, individually by Nevada County Sheriff Deputy Tripp, Deputy T. King and Grass Valley Police Officer Hooper, with their respective attorneys. DA Investigator LaFountain was present for Deputy Tripp and Deputy T. King's walkthroughs. DA Investigator Nelson was present during the walkthrough with Officer Hooper.

I released the wrist watch belonging to Deputy Tripp, which was located in a bag on the hood of NCSO unit 3, to Deputy Tripp as it had no evidentiary value to the incident. I cleared this action with Chief DA Investigator Penaluna who was on scene at the time.

I assisted California Department of Justice Criminalist [REDACTED] and Criminalist [REDACTED] by

photographing, measuring and collecting evidence at the scene. Also present and assisting with the processing was MCU Detective Sgt. Sullivan, Detective Johnson, Detective Strachan and Investigator Nelson. Further assistance was provided by the Nevada County Search and Rescue Evidence Team, which consisted of the following people: Sgt. Kress, [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED] and [REDACTED]. DOJ will be providing a full report (SC-20-000002) at a later date, which will be attached to this report as a supplement. See Sgt. Kress's supplemental report documenting the actions of Search and Rescue Volunteers.

After leaving the scene, Sgt. Sullivan and I secured the collected evidence into the Major Crimes Unit garage at the Sheriff's Property Unit. I later entered the property into RMS and submitted the property to the SPU.

I uploaded the photos from the scene to Evidence Library as E-128. I uploaded the crime scene log, consent to search form for [REDACTED] and the property sheet to the multimedia section of this report.

On 01-03-2020 Detective Strachan and I separated E-119 and E-120 into individual items at the Nevada County Sheriff's Property Unit. The items were packaged separately and documented in this supplemental report. I photographed each of the items before packaging and later uploaded the photos to Evidence Library as E-129.

Case Disposition:

Case open pending follow up.
